

## Canadian Fossil Discovery Centre Dinosaurs Education Kit Grades K - 3

This kit includes material for both resource as well as instruction including supplemental lesson plans to compliment units in Manitoba class, grades Kindergarten through 3. You can choose to use the lessons or create your own with the resources available. Please ensure all material listed on page 2 is present before beginning and when returning the kit. We also ask that all the items be returned in the same manner they were sent.

The Canadian Fossil Discovery Centre (CFDC) would like to thank the educators and volunteers who assisted in creating the education kits and its sponsors for financial assistance, Town of Morden, Cultural Capital of Canada and Ledcor Pipeline.

Each educational kit from the CFDC can be accompanied by a educational program at the museum itself, for further information please contact us at [info@discoverfossils.com](mailto:info@discoverfossils.com), 204-822-3406 or on the world wide web at [www.discoverfossils.com](http://www.discoverfossils.com).
