

Canadian Fossil Discovery Centre Habitats and Living Things Kit Grades 4 – 6

This kit includes material for both resource as well as instruction including supplemental lesson plans on habitats and living community's portion of the Manitoba curriculum. You can choose to use the lessons or create your own with the resources available. Please ensure all material in the listed on page 2 is present before beginning and when returning the kit. We also ask that all the items be returned in the same manner that they were sent.

The Canadian Fossil Discovery Centre (CFDC) would like to thank the educators and volunteers who assisted in creating the education kits and its sponsors for financial assistance, Town of Morden, Cultural Capital of Canada and Ledcor Inc.

Each educational kit from the CFDC can be accompanied by an educational program at the museum itself, for further information please contact us at info@discoverfossils.com, 204-822-3406 or on the World Wide Web at www.discoverfossils.com.
